Charity Fun Run

Dear Parent/Guardian,

As a school we are committed to contributing to our wider community and this term sees the return of our Annual Charity Fun Run, where we invite students to raise money for charity while also staying healthy and having fun. In the spirit of celebrating diversity, this year the event will be 'world-themed.'

Our 'world-theme' is particularly relevant this year as the England women's football team prepare to venture to Australia and New Zealand for the FIFA Women's World Cup. This is the perfect way to celebrate the diversity of the many nations involved in this global competition, while at the same time recognising the rich diversity of our own school community and our commitment to expand our opportunities, such as through our chosen cause.

We ask that your daughter attends the run in full Sacred Heart PE kit. This year, this may also include accessories or an item of clothing relating to our 'world-theme': a country's football shirt for example. She will be wearing this attire to complete the 2km run, therefore, for health and safety it is imperative that your daughter wears clothing that is suitable to run in. She must also wear sports trainers – these are already a requirement of her PE kit.

Each year group will complete the run together – please see the dates below:

Thursday 4 th May	Year 8
Thursday 8 th June	Year 7
Thursday 6 th July	Year 9
Thursday 20 th July	Year 10

On the day that your daughter is completing the run, she should come to school in her running attire. She will go to her form room and the event will take place during her PSHCE lesson. The run will lead from Sacred Heart High School into Sacred Heart Primary School grounds, finishing back at the start line, equating to a total of 2km. Unfortunately, we cannot accommodate spectators. If there is a reason your daughter cannot take part, please contact the school.

The chosen cause we will raise money for is building a new Sacred Heart Educational Centre in Kenya. There will be a link available on the school website for online donations to be made. Cash donations can be brought into school on the day of your daughter's event for collection. The suggested fundraising target is £2.50 per student.

We look forward to this exciting event and for your fundraising to make a difference in our community.

Yours faithfully,

Mrs E Adams
Head of Physical Education
