Working with Outside Agencies

The schoolwork with a range of outside agencies to receive advice and support for students and training for staff- they include services such as:

- SEND ASAP: The SEND Allocation, Support and Advice Panel provide school with support and advice for individual students that are referred to them. The panel allocate support from specialist teachers, Educational Psychologists or recommend support programmes.
- CYPS: The school may make referrals to the Single Point of Access (SPA) in order for a young person to receive support or assessment from Children and Young People's Services.
- SEND OS: SEND Outreach Service - referrals can be made for assessments and advice for Specific Learning Difficulties such as Dyslexia & support from the Speech and Language Team
- Educational Psychologist: Sacred Heart employ an Educational Psychologist, Dr. Booth, who works in school at least once per half term to support students who have been identified by the SENDCo. Dr Booth can work on an individual or small group basis to provide targeted support.
- The school are working closely with Sally Franklin as part of her Maximising the Impact of Teaching Assistance work.

The school also work with outside professionals, who provide advice and support for individual students:

- Occupational Therapists
- Psychologist
- Nurse Practitioners
- Dieticians
- Consultants
- SALT

Next Steps:

- Continue to hold regular Team Around the School meetings where a range of professionals from outside agencies meet with the SENDCo, Deputy SENDCo and Pastoral team to discuss support offered to and available to students.
- Continue to hold half termly meetings with pastoral team to discuss support in place for students and agree on any requests for support from outside agencies or any outcomes from students working with outside agencies.
- Work closely with Sally Franklin to improve MITA.

Pupils Views:

Every student has a keyworker who meets with them at least once per term to gather their views. During these meeting the students complete and update the student's Support Plan and Teacher Overview; the information gathered is used to inform provision and update advice for teachers. Where appropriate or relevant parents are updated with important information and referrals for additional support can be made.

SEND surveys (Microsoft Forms) are sent to parents to help their child collect student voice. The information gathered informs support plans and provision in place.

We have developed a key document to complement the Teacher Overview and Support Plans that outlines the support and provision that helps each young person learn. This will be stored in planners for staff and students to refer to.

A member of the SENDIASS team comes into school to offer independent advice and guidance to SEN students.

The school has established a SEN student council.

Next Steps:

- Increase opportunities for students to meet and speak with SENDIASS
- Continue to develop the SEN student council.

Parents/Carers' Views:

Parent views are collected via parent surveys and through review meetings. Parents are encouraged to contact the SENDCo or SEND team with any concerns they have and the

SENDCo is available at Parents' Evening. The school host a (KS3/ KS4 & 5 are invited every other half term) termly coffee morning for parents to meet with the SENDCo and SEND staff in order to review and adapt provision in place for their child. The schools' Parent Carer Forum meet once every term to discuss the provision offered and agree actions to improve and adapt provision further. Parents are also invited to 'How to support you child' events throughout the school year.

The SEND Department offer half-termly additional SEN Parents' Evening

Next steps:

- Increase staffing at SEN Parents' Evenings to increase the offer of appointments.
- New programme for parent events/workshops is planned for this year to increase home-school contact and allow additional opportunities to share parent voice with staff.
