## Student Safety Notice

Dear Parents/Carers,

As many of you will be aware, the road to the front entrance of Sacred Heart High School is often gridlocked in the mornings and evenings as parents drop off students at both the Secondary and Primary school.

As we are now into our second half term, and girls know their way into school, we are writing again to ask that all **parents of students at Sacred Heart High School drop their daughters off on one of the access roads to the school and do not come up the main driveway**. I know we are all united in ensuring the safety of all our girls on their way to and from school. Please respect our neighbours in the surrounding area and show consideration in your parking, and do not use the facilities of Sacred Heart Primary School.

In addition, we'd also like to remind parents that safeguarding regulations for all schools mean parents should not come onto school property unless they have an appointment. We therefore politely remind parents that they must not walk onto site to wait at the end of the day. Please do not enter the main gates on foot or in a car at any of the three main school entrances. Parents who continue to access the site will be challenged by duty staff.

Please share this letter with other relatives/carers who may drop off or collect your daughter.

Thank you for your understanding and cooperation in this matter.

Yours faithfully,

Mrs Howell  
Headteacher
