## Study Club

Study Club is a voluntary after school club where students of all ages can come and work on homework or catch-up studies with the help of teachers in our Library area from 3.30 – 5.00pm Monday to Thursday (closes 4.30pm on Friday). Study Club is particularly useful to those students doing GCSE courses as it provides them another opportunity to revisit the work done in class.

Study Club has at least 3 teachers each evening. The table below gives a flavour of the subject specialists available, but all staff are there to support students with homework/tasks across all subject areas.

Monday	Tuesday	Wednesday	Thursday	Friday
History	RS	After Oct half term	Physics / Science	Geography
Geography	Physics / Science		Business	Chemistry / Science
Social Sciences			Social Sciences	Physics / Science

Please encourage your daughter to attend. The club has PC and printing facilities. As the session is until 5pm we also provide a drink and biscuit for those attending.
